

Certificate of S.B. Butrenchuk

I, Stephen B. Butrenchuk, P.Geol. of 34 Temple Crescent West, Lethbridge, Alberta, T1K 4T4 do hereby certify that: I am the Qualified Person for:

Passport Metals Inc.

608 – 1199 West Pender Street
Vancouver, B.C. V6E 2R1

I earned a Bachelor of Science degree majoring in geology from the University of Manitoba (1996) and a Master of Science degree in geology from the same university in 1970.

I am registered with the Association of Professional Engineers, Geologists and Geophysicists in the Province of Alberta as a Professional Geologist.

I have practiced my profession continuously for 39 years since graduation.

I have read the definition of "qualified person" set out in National Instrument 43-101 ("NI 43-101") and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfill the requirements to be a 'qualified person' for the purposes of NI 43-101. My relevant experience for the purpose of this Technical Report is:

- 39 years of exploration experience for base and precious metals in the North American Cordillera
- 18 years as an industrial minerals geologist for government and industry working with phosphate, gypsum, barite, zeolite, silica and leonardite.

I am responsible for the preparation of the technical report titled "43-101 Technical Report Holbrook Basin Potash Project" and dated January 27, 2009, relating to the Holbrook Basin property. I completed a site visit to the Holbrook Basin property on January 21, 2009.

I have not had prior involvement with the property that is the subject of the Technical Report.

As of January 27, 2009 to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.

I am independent of the issuer after applying all of the tests in section 1.4 of NI 43-101.

I have read NI 43-101 and Form 43-101F, and the Technical Report has been prepared in compliance with that instrument and form.

I make this Technical Report effective January 27, 2009.

Dated this 27th day of January, 2009.

"signed and sealed"

Stephen B. Butrenchuk, P.Geol.
